

Attention Getters

Getting the reader's attention: some common ways to attract the reader's interest to an essay are:

- Use an anecdote.
- Use interesting or hard-hitting facts
- Present surprising statistics.
- Start with a quotation.
- Ask a provocative question.

Interesting or hard-hitting fact

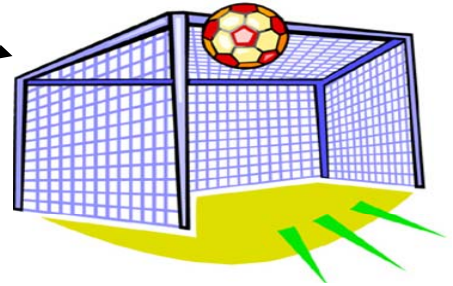

People around the world are dying from hunger everyday.

Provocative question

Do you eat fast food everyday ?

Surprising statistic

Seventy five percent of teenage boys are looking forward to the World Cup

Use an anecdote

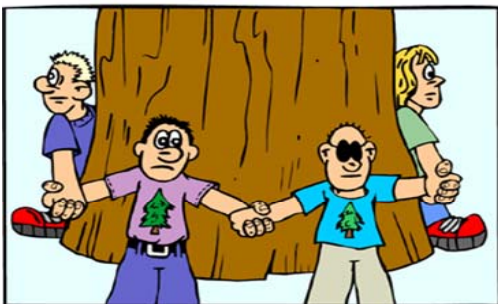

I still remember when my father took me to the beach.

Use an quotation

One day, out of nowhere, my friend said, "I hate my nose. I need cosmetic surgery"
